ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI RAJEEV CHANDRASEKHAR)

(a): No Sir. There is no provision to deactivate the Aadhaar of deceased person.

(b): Registrars of Births and Deaths are the custodians of Births and Deaths. At present, there is no mechanism to receive the Aadhaar number of deceased persons from the Registrars of Births and Deaths to deactivate Aadhaar.

(c): Yes, Sir. Registrar General of India had sought suggestions of UIDAI on the draft amendments to the Registration of Birth and Death Act, 1969 so as to take Aadhaar of deceased person while issuing death certificate.

Subsequently, Registrars of Births and Deaths will share the Aadhaar number of the deceased with UIDAI for deactivation.
