UIDAI joins hands with NFSU to enhance cybersecurity and digital forensics resilience

UIDAI, NFSU ink pact to boost cybersecurity, digital forensics

Press Trust of India
Ahmedabad, May 5

THE UNIQUE Identification Authority of India (UIDAI) and National Forensic Sciences University (NFSU) have signed a five-year memorandum of understanding to collaborate on digital forensics, cybersecurity, and advanced technology research, an official said on Tuesday.

The collaboration will focus on six strategic pillars - academic and professional development, information security and system integrity, forensic infrastructure and lab excellence, technical support for cyber security activities, technical advisory services and research, and strategic placement and outreach, an

official release stated.

"The MoU provides a comprehensive framework for collaboration and brings together the two key national institutions to further strengthen cyber resilience in UIDAI's digital infrastructure, which is the foundation of India's digital identity ecosystem," it said.

The MoU was signed by UIDAI CEO Vivek Chandra Verma and NFSU Gujarat campus director Dr SO Junare. The MoU will facilitate joint research in emerging areas such as artificial intelligence, blockchain, deepfake detection and cryptographic technology, and pave the way for students of

the Gandhinagar-based NFSU to access placements and opportunities, the release said.

UIDAI और NFSU के बीच 5 साल का समझौता; आधार की साइबर सुरक्षा होगी और भी मजबूत

लखनऊ: भारत के डिजिटल पहचान तंत्र को और अधिक सुरक्षित एवं सशक्त बनाने की दिशा में एक अहम पहल की गई है. भारतीय विशिष्ट पहचान प्राधिकरण (UIDAI) और राष्ट्रीय फॉरेंसिक विज्ञान विश्वविद्यालय (NFSU) के बीच एक ऐतिहासिक समझौता हुआ है. यह पांच वर्षीय सहयोग समझौता (MoU) मुख्य रूप से साइबर सुरक्षा, डिजिटल फॉरेंसिक और उन्नत तकनीकी अनुसंधान पर केंद्रित है. यह समझौता दोनों संस्थानों के बीच एक व्यापक और संरचित ढांचा तैयार करता है.

आधार की सुरक्षा होगी अभेद्य: इस साझेदारी के माध्यम से यूआईडीएआई के डिजिटल इंफ्रास्ट्रक्चर की सुरक्षा क्षमता को पहले से और अधिक मजबूत किया जाएगा. यह पहल भारत की डिजिटल पहचान प्रणाली को पूरी तरह सुरक्षित और भरोसेमंद बनाए रखने में महत्वपूर्ण भूमिका निभाएगी. समझौते का आदान-प्रदान यूआईडीएआई के सीईओ विवेक चंद्र वर्मा और एनएफएसयू गुजरात कैंपस के निदेशक प्रो. डॉ. एसओ. जुनारे के बीच हुआ. इस विशेष अवसर पर यूआईडीएआई के उप महानिदेशक अमिषेक कुमार सिंह समेत कई वरिष्ठ अधिकारी भी मौजूद रहे.
