

Table with multiple columns and rows containing numerical data and text labels. The table is organized in columns, with the first column containing numerical values (likely IDs or codes) and subsequent columns containing descriptive text and further numerical values. The rows are densely packed and cover a wide range of categories, including organizational units, departments, and specific roles. The table ends with a 'Grand Total' row at the bottom.

Grand Total 42 16,913.9 8,128 38,427.7 55,643.1 10 15,033 1,172.4 17,186 2 109 1,264 11 20 3,194 3,008.8 19 207
