UNIQUE IDENTIFICATION AUTHORITY OF INDIA
Technology Division

2	Rental charges for Rack space (with racks), and electrical points per year at Communication room		2 Rack Space					
3	Cost of seating space with LAN, electrical points, etc per year		2 Seat					
4	Cost per year for 100 Mbps point to point lease line to two existing DC of UIDAI (including 2 routers at the proposed DC)		2 Links					
A1	Total recurring cost for 7 years (without tax) Rs							

Government of India
Ministry of Electronics & Information Technology(MeitY)
UNIQUE IDENTIFICATION AUTHORITY OF INDIA
Technology Division

B1	Total recurring cost for 7 years (with Tax) Rs	
5	One-time fixed charge (inclusive of taxes) Rs	40,00,000 (Forty Lacs)
C1	Total Contract Value without taxes for 7 years Rs	

Note : - Total Contract value doesn't include electricity charges

2) One time cost

UIDAI will pay total Rs 40,00,000/- (Rs Forty Lakhs Only) as one time cost for operationalization of DC. This includes cost for caging of area, Racks, IPDU, LAN cabling (Copper & Fiber cabling etc.), patch cords, power cabling and power points upto racks, Biometric/Security/ Access control system for caging at DC space, Communication room and seating space, electricity charges till acceptance of site, any other miscellaneous cost, etc.

3) Power Cost

A separate power meter to be provided by successful bidder and power will be payable on actual usage (IT load) basis.

The following is the formula for calculating the power cost in a Data Center:

Metered units (MU) x power tariff (PT) x PUE (1.8)

The Power Tariff (PT) will be computed from the power bill received from the electricity board for the Data Centre

Power Tariff (PT) = (Total Cost of Power at DC/ Total no. of units at DC)

For recurring cost payment will be processed quarterly in arrears on submission of invoice

The power cost will be paid on actuals as per actual consumption .The meter reading to be taken in presence of UIDAI official and reading noted should be duly acknowledged by UIDAI official.
