1.2 Introduction

1.2.1 UIDAI proposes to **produce a mini-series on Aadhaar showcasing the positive impact that the 12-digit unique identity has brought in the lives of every resident and how a person benefits from using Aadhaar while availing various services.**

1.2.2 Till date, UIDAI has generated more than 120 Crore Aadhaar numbers. The impact of the Aadhaar initiative is wide-ranging. For residents across the country, Aadhaar is a transformational number which will improve the delivery of welfare programs and will provide residents, particularly the poor, greater access to resources and services.

1.2.3 Considering the benefits of a unique digital identity, Aadhaar can be showcased as:

- a service delivery platform ó use of Aadhaar for DBT and other Aadhaar-linked services
- a financial inclusion tool ó giving identity to masses. Considering that more than 30% people in India did not have any means to prove their identity.
- a digital payments platform ó door-step banking via AePS (Aadhaar enabled Payment System), DBT payments via APB (Aadhaar Payment Bridge), sending money via BHIM to the recipients Aadhaar-linked Bank account (Pay2Aadhaar in BHIM) and BHIM AadhaarPay ó the merchant application.

1.3 Procedure for Submission of Online Bids on CPP Portal

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

i. Registration

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link "Online bidder Enrollment" on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

ii. Searching for tender documents

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective "My Tenders" folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

iii. Preparation of bids

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

iv. Submission of bids

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document. **The financial bid need to be uploaded in the Packet 1 (financial bid) before last date and time of online submission of bids.**
- 3) Bidder has to select the payment option as "none" to pay the tender fee / EMD as applicable and enter details of the instrument. Since this RFP is only open to entities who are empanelled with either NeGD or UIDAI as an advertising and creative agency, no EMD is required to be submitted for participating in this bid.
- 4) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- 5) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 6) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

7) Upon the successful and timely submission of bids (ie after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

8) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

v. Assistance to bidders

1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 3070 2232.

Section III – SCOPE OF WORK

3.1 Description:-

• Production of a Mini-series (Individual capsule duration: upto 60 seconds) on the impact of Aadhaar on the day-to-day lives of people in India.

• The Mini-series film needs to cover the changing digital, social and economic landscape of the nation by increasing adoption of Aadhaar as an identifier and how it benefits the individual.

• The film will have upto 10 capsules of maximum duration of 60 seconds each

• In each capsule, the bidder is expected to address specific concern area(s), so that each individual capsule becomes sort of a stand-alone information dissemination capsule, which may be aired individually or in conjunction with entire series.

• A Story board needs to be conceptualised for each capsule of the film which portrays the idea, flow of the film and highlights the key point that is to be communicated. The script for each individual capsule also needs to be submitted after selection of the agency and release of work order.

• Pre-Production, Casting, Shooting, Editing and Post-production of all 10 capsules

• The Master copy will need to be produced in Hindi

• The service provider may also be asked to provide translation & sub-titling of the film in other languages. The same will however need to be done at DAVP rates

• The capsules may also required re-editing and re-voiceover, for extracting 30-second versions for each capsule, which will be payable at DAVP rates.

• Editing, Mastering and final delivery (both mixed and unmixed masters in all languages) in formats required by UIDAI for broadcast at the workshop, Television, Social Media Channels and Mobile Platforms

Duration of the Film

a. 10 capsules of upto 60 seconds each.

b. 30-second edited and re-voice over of each of the 10 capsules.

Languages:

Hindi with subtitles (in English, if required)

Translation in English (no subtitles)

Production

a. The films will be a hybrid of fresh video shoot & high quality graphics. The shooting may be outdoor & produced at different locations. The background composition should be original & impactful.

b. The camera used should be a High Definition Camera such as Red. Usage of an inferior camera will result in the produced film being declared invalid.

c. Use of an experienced Director, who will be actively involved in the pre-production, direction and post-production work.

d. Cast for the capsules should be experienced actors with ability to deliver dialogues and enact the sequence with panache.

3.2 Concept note and tentative script of the film

The Concept note and tentative script of the film will be required to be submitted in the form of a presentation, needs to capture the essence of the project i.e. the benefits Aadhaar has brought to the common man. For residents across the country, Aadhaar is a transformational number which will improve the delivery of welfare programs and will provide residents, particularly the poor, greater access to resources and services. As Aadhaar is being linked to several services, a number of queries are being asked by the public on how to use Aadhaar for availing services, how to link Aadhaar with essential services and the need to do so. Through these capsules and the

consolidated film (as explained above), UIDAI seeks to inform and educate residents on the same.

While the final subject for the capsules may change as per requirement, for the purpose of producing the Concept Storyboard, script, etc, bidders are requested to study the topics given below and make a presentation accordingly.:

1. Aadhaar enrolment and update facilities are available at Banks and Post Offices: Aadhaar enrolment and update facilities are available at Banks and Post Offices across the country. You can enrol or update Aadhaar details even if you are not a customer of that bank. You can update your Aadhaar data from any bank branch or post office, which has an Aadhaar Kendra, even if you got enrolled from a different city/state. The bank/post office (which has an Aadhaar Kendra) cannot refuse Aadhaar enrolment or update service. In such cases, you may complain to the branch manager or higher authorities of the concerned bank.

2. Why is Aadhaar being asked for in Schools?

Aadhaar is a unique identity not only for adults but for children as well. It also helps in removing ghost entries of students and even teachers, a malpractice which has been plaguing the system and diverting public money into the pockets of unscrupulous elements.

This results in the needy children getting benefits of various government schemes like scholarship, mid-day meal, etc.

3. Aadhaar enrolment of infants in hospitals, for hospital admissions, etc.

Even infants can enrol for Aadhaar. Enrolling your child at this early age is of benefit to the parents as the child can take advantage of several government primary healthcare facilities and immunization facilities. Other than the fact any diversion of public money in this field can be thwarted, it also helps in providing an identity to the infant.

4. Why do you need Aadhaar for property registration?

Using Aadhaar during property-related transactions is an effective way of thwarting attempts to carry out fraudulent sale of property using fake documents. As the property owner has to biometrically authenticate him/herself during the time of sale, Aadhaar provides an added layer of security to people's immovable property.

5. What happens when Aadhaar authentication fails, especially in the case of elderly?

Aadhaar authentication is a process of proving one's identity to avail services such as Pensions, Ration etc, using fingerprints and Aadhaar number. Failure of authentication will not result in the person being denied benefits. All such Departments/Service Providers are required to maintain a register for logging any exceptions and any authentication failure. The Department/Service Provider will have to however, provide the particular service to the person.

6. Can my Aadhaar be used to withdraw money from my bank account?

Aadhaar cannot be used to hack into anybody's bank account. The Aadhaar number is used to only verify the identity of the person holding a particular account. In no way does this compromise security of your bank account. Do not divulge sensitive information such as ATM or Debit Card PIN or the OTP generated by Bank. No one from Aadhaar or Bank will ever ask for such information.

7. Addressing queries related to Child enrolment

A child's Aadhaar is linked to the Aadhaar of one of the parents. The parent needs to take the child to any Aadhaar centre (available in banks and post offices) along with a Proof of Relationship (PoR) document such as Birth Certificate, Passport etc. Biometrics of the child need to be mandatorily updated at age 5 years and then again at age 15 years. This update is FREE of cost. Please visit the Aadhaar centre in your nearby bank branch or post office for biometric update.

3.3 Timelines

1. After selection of the agency, the agency will be issued a work order. On acceptance of the work order, the agency will immediately start work as per the approved concept note.
2. All necessary permissions for the shoot will be obtained by the agency with support from UIDAI.
3. The agency is required to complete the scripts within 2 days of receiving the work order and submit scripts, storyboards for approval. After obtaining approval on the scripts, the agency will start shoot/ production of the film and submit the rough cuts within **10 days** for preview and approval. The agency will submit the final versions within 2 days, incorporating changes in voice over, music track, or any changes for final review and approval.

3.4 Deliverables

1. Three copies in separate USB drives of the final cut of the film & capsules
2. Video Masters: Full HD Broadcast Quality- DV, DVD, DigiBeta, HDcam SR, DVD
3. All versions of Film & capsules (Final Mixed versions and unmixed versions), all raw files & footage (audio & video) on a Hard Drive, labelled properly in files/folders for easy understanding
4. The final versions of the film & capsules need to be submitted within timelines given by UIDAI.

3.5 Service Level Agreement (SLA)

3.5.1. The table below defines the SLA which will define the penalty to be levied on the Service Provider, if it doesn't conform to Timelines mentioned in Clause 3.3 or which are defined from time to time by UIDAI.

Sl. No.	Deliverable	Severity Level 1	Severity Level 2	Severity Level 3
1.	Submission of Script	Delay of 1 days	Delay of 2-3 days	Delay of more than 3 days
2.	Submission of First Draft	Delay of 1 day	Delay of 2-3 days	Delay of more than 3 days
3.	Submission of subsequent Draft (including final version)	Delay of 1 day	Delay of 2-3 days	Delay of more than 3 days

3.5.2 The below table defines the penalties that are to be imposed based on the Severity Level defined in Clause 3.5.1

Sl. No.	Severity Levels	Penalty
1.	Level 1	0.5% of the cost of project per day
2.	Level 2	1% of the cost of project per day
3.	Level 3	2% of the cost of project per day

3.5.4 Total Penalty to be levied for violations of timelines as per SLA will be subject to a maximum of 10% of the cost of the project (s).
