1.1.10. Bid documents should be prepared and submitted as per the **Bid Preparation and Document Checklist** described in Clause 2.4 of Section II not later than the date and time specified in Schedule. Bids submitted after last date and time of submission will be rejected summarily.

### **1.2 Introduction**

1.2.1 UIDAI proposes to **produce a film on Aadhaar showcasing the positive impact that the 12-digit unique identity has brought in the lives of every resident.**

1.2.2 Till date, UIDAI has generated more than 115 Crore Aadhaar numbers. The impact of the Aadhaar initiative is wide-ranging. For residents across the country, Aadhaar is a transformational number which will improve the delivery of welfare programs and will provide residents, particularly the poor, greater access to resources and services.

1.2.3 Considering the benefits of a unique digital identity, Aadhaar can be showcased as:

- a service delivery platform – use of Aadhaar for DBT
- a financial inclusion tool – giving identity to masses. Considering that more than 30% people in India did not have any means to prove their identity.
- a digital payments platform – door-step banking via AePS (Aadhaar enabled Payment System), DBT payments via APB (Aadhaar Payment Bridge), sending money via BHIM to the recipients Aadhaar-linked Bank account (Pay2Aadhaar in BHIM) and BHIM AadhaarPay – the merchant application.

### **1.3 Procedure for Submission of Online Bids on CPP Portal**

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

#### **i. Registration**

1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “Online bidder Enrollment” on the CPP Portal which is free of charge.

- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

## **ii. Searching for tender documents**

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

## **iii. Preparation of bids**

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS formats. Bid documents

may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

#### **iv. Submission of bids**

1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document. **The technical samples i.e. a presentation on the Concept note of the film, tentative script of the film along with similar work experience (films and work order/completion certificate) as explained in Section III need to be submitted at the address for Communication given in Clause 1.1.9 before last date and time of online submission of bids.**

3) Bidder has to select the payment option as “offline” to pay the tender fee / EMD as applicable and enter details of the instrument. Since this RFP is only open to entities who are empanelled with either NeGD or UIDAI as an advertising and creative agency, no EMD is required to be submitted for participating in this bid.

4) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

5) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

6) All the documents being submitted by the bidders would be encrypted using PKI

encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

7) Upon the successful and timely submission of bids (ie after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

8) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

**v. Assistance to bidders**

1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 3070 2232.

- **Empanelled agencies of NeGD or empanelled as Advertising and Creative Agencies with UIDAI HQs, New Delhi**

- Has produced atleast two similar short films for Government of India's Ministries/Departments/Autonomous Bodies which showcases either success of a project/scheme. The bidder needs to submit/upload two such films along with the work order/completion certificate.

## 2.3 Process for Award of Work

The Evaluation Committee for **production of "The Aadhaar Success Story" film** will accept or reject Technical proposals based on the criteria defined in table below. These criteria are also explained in Section II, Clause 2.4 and Section III, Clause 3.2 & Clause 3.3:

S.No.	Criteria	Whether bid satisfies Criteria
1.	Whether Bid Covering Letter is in order and valid (submitted document at S.No.1 of Clause 2.4)	Yes / No
2.	Whether bidder meets the eligibility criteria as a pre-qualification and has submitted valid document to support his claim (submitted document at S.No. 2 of Clause 2.4)	Yes / No
3.	Whether bidder has submitted the Technical bid as per the specifications given in Scope of Work - Section III of this RFP (submitted document at S.No.5 of Clause 2.4)	Yes / No
4.	Whether bidder has submitted the Financial bid in order (submitted document at S.No.6 of Clause 2.4)	Yes / No
5.	Whether all documents submitted by the bidder have been self-attested as per details at S.No.7 of Clause 2.4	Yes / No

- Only those bids will be evaluated which are found to be fulfilling all the eligibility and qualifying requirements of this RFP.
- The Evaluation Committee will evaluate the qualifying proposals and give a technical score. The Committee may call for a presentation from the bidders, if felt necessary.
- The selection of the agency will be based on the evaluation of the technical & financial bids by the Evaluation Committee. For evaluation, a Combined Quality Cum Cost Based System (QCBS) evaluation method will be followed, wherein a weighted composite success score will be calculated based on separate evaluations of the Technical Bid (70% weightage) and the Financial Bid (30% weightage).
- The minimum qualifying score for technically qualifying will be 70 marks out of 100. Bidders failing to attain the minimum technical qualifying score of 70 marks will be rejected.

- Financial bids of only those agencies will be opened who qualify with the minimum qualifying score on their technical proposals evaluated by the committee. Among the technically qualified bidders, the lowest financial bid would be accorded a score of 100 and other technically qualified proposals would be assigned financial score in inverse proportion to the lowest financial bid.
- For example, if the lowest bid price is Rs. 100, the lowest bidder will get a score of 100. If the second lowest bid is Rs. 150, the bidder will get a score of  $(100 / 150) \times 100 = 66.66$ . The scores will be calculated up to 2 decimal points. The composite final score will be calculated from the technical and Financial scores as shown in the illustrative example below. Bidders A, B and C with technical bid marks of 80, 85 and 90 respectively, have been shortlisted for consideration of their commercial bids. The commercial bids of the 3 bidder are as follows: A= Rs. 5 lakhs, B= Rs. 7.5 lakhs and C= Rs. 10 lakhs.
- The composite final score (S) for A, B and C will be calculated in the following manner:

1	2	3	4	5	6	7
Bidder	Technical marks (out of 100 marks)	Weighted technical score (column 2 x 70%)	Financial Bid quote (in Rs. Lakhs)	Proportionate Financial score (lowest quote/bidder's quote) x 100	Weighted Financial score (column 5 x 30%)	Final composite score (S=column3+column6)
A	80	56.00	5	100.00	30.00	86.00
B	85	59.50	7.5	66.67	20.00	79.50
C	90	63.00	10	50.00	15.00	78.00

- The agency attaining the highest maximum combined evaluated score (Technical and Financial Score) would be selected. In the aforesaid example since bidder A has the highest composite final score (S=86.00), the work order will be given to bidder A. In case the highest composite score is the same for more than one bidder, the bidder with the higher Financial bid score will be awarded the contract. The decision of the committee will be final and binding.

#### 2.4 Evaluation of Technical Proposal

The Technical Evaluation shall be based on the parameters and weightage as mentioned in the Table below. Agencies may be required to make presentations.

Sl.No	Parameters	Maximum Score (out of 100)
1.	Film Concept and innovativeness of approach	30 marks
2.	Tentative script of film	30 marks
3.	Similar past work experience (proof in terms of Work Order & completion certificate to be submitted) (Refer to clause 2.2)	40 marks

## 2.5 Bid Preparation and Document Checklist

A. It is compulsory to mention page numbers on each and every documents placed in the bid.
